Re: *Certain Underwriters at Lloyd's, London, et al. v. Sterling Financial Investment Group, Inc. et al.* (Case No.: 07 CV 7396-GBD)  
Our File No.: 40117.00047

Dear Judge Daniels:

We are attorneys for Plaintiffs in the captioned action.

We are writing to request an adjournment of the conference scheduled on December 4, 2007 and a further suspension of the time for the parties to adopt the proposed Case Management Plan and Scheduling Order. Your Honor had previously granted the parties' stipulated request to adjourn the conference originally scheduled for November 8, 2007.

The responding Defendants' motions to stay, transfer and/or dismiss this action remain pending and Plaintiffs have still not been able to serve one of the Defendants in this matter, Thomas G. Karidas, a citizen of Greece. We request that the Court reschedule the conference for January 8, 2008. By that time, Plaintiffs will be able to advise the Court if their efforts to serve Mr. Karidas were successful within the requisite time period. Also, the parties hope to use the time of this adjournment to further discuss how best to coordinate this action with the one pending in the Southern District of Florida and how they might be able to eliminate parties and/or issues at this stage.

We have discussed this request with counsel for the Defendants that have appeared, who has consented to this request. Thank you for your attention to this request and we ask that you contact us with any questions you might have.

Very truly yours,

  
Frederick J. Wilmercc: Michael D. Mosher, Esq., (Via E-Mail)
